Adult Coed

F.L.I.G.H.T. (Choir Room)

Teacher: Tony Smedley

We are caring group of adults (married or single): we care about our relationship with God, each other, others at RHBC, and the community. FLIGHT is an acronym for Finding Light In God’s Holy Truth. We desire to search God’s Word—Truth; find the meaning and relevance—Light; and to see God’s direction for application: God’s Word, God’s Will, God’s Way. We want application to be both personal and corporate so we may better worship, fellowship, and serve. We have a ‘topical’ study approach in this class, using the bible as our guide.

We enjoy praise and prayer time each Sunday. Since fellowship time is limited on Sunday, we try to meet every three months or so for a time to visit, share a meal, relax, and enjoy one another. We are active in service with several ongoing projects with Heart to Heart Pregnancy and Family Counseling and the Community Rescue Mission of Fort Smith. There are also random needs at holidays or other times when we try to help or provide for others.

Glory Bound (Chapel)

Teacher: Phil Newcom

We are primarily a senior adult couples class but we do have some single adults in the class of over 70 members. Due to the size of the class, the teaching method is primarily a lecture style. We are a growing class, adding new members regularly. We use the bible as our resource for study, occasionally using study guides as a help. We have class fellowships to promote unity within the class. We are structured for completing class responsibilities. We fund numerous benevolence projects throughout the year.
